## PART 1

**Gaelic Athletic Association** *(Established 1884)*

## **ARCHBISHOP THOMAS W. CROKE**

In 1913 the GAA paid Frank B Dineen £3,500 for the sports field at Jones's Road and renamed it Croke Park in honour of their first patron. Croke was born in May 1823 near Kanturk in Co. Cork. Born to a Catholic father and Protestant mother, his mother's family disapproved of the marriage and when his father William died suddenly, he was taken in by his uncle, Fr Thomas Croke, a parish priest in Charleville. The young Thomas was educated in Paris and later Rome where he was ordained in 1847. He spent 20 years in Cloyne and was Archbishop of Auckland, New Zealand from 1870-1874, returning to Ireland as Archbishop of Cashel. Croke was one of the most influential figures in the Irish Catholic church in the latter half of the nineteenth century, a crucial phase in the church's history as it emerged in the post-Emancipation period as one of the most influential institutions in Irish society and further afield. He was an important figure in many of the key social and political movements of the post-Famine period, including the expansion of educational opportunities for Irish Catholics and the inter-linked campaigns for tenant right and home rule. He was supportive of the idea of a GAA from its outset and enthusiastically accepted the invitation to be among its first patrons. His support allowed the GAA to designate Sundays for matches, and he was an influential figure in the Association's turbulent early years, helping to heal divisions.

## **MAURICE DAVIN**

Elected as the first President of the GAA in 1884, Davin was from Carrick-on-Suir in Co Tipperary and was born in 1842. A farmer with a successful river haulage business, he was known internationally for his athletic prowess. He competed in the first ever international athletics event, between Ireland and England, which was held at Lansdowne Road in 1876, and over his long career he set hammer throwing and shot putt records, as well as being an accomplished rower and boxer. Sharing Cusack's passion for the promotion of Irish athletic disciplines, Davin championed the promotion of Gaelic football, and he made an essential contribution with the drawing up of standardised official rules for hurling, football and GAA athletics events in 1885 which allowed new clubs to be formed and games to flourish. His international profile and natural leadership qualities made him a vital asset as the GAA sought to establish itself as being central to Irish life. Croke Park's Canal End was renamed the Davin Stand in his honour.

## **MICHAEL CUSACK**

Born in Carron in Co Clare in 1847, Cusack was a passionate sports enthusiast. A schoolteacher who had several posts around Ireland, he later set up the successful Cusack's Academy in Dublin which prepared students for civil service exams. The provision of sporting opportunities for the ordinary citizen and Irish control of Irish athletics were inspirations which later centred on the revival of hurling which Cusack had known in his youth and was determined to save from extinction. The formation of several hurling clubs across 1883 and early 1884, a forceful promotional campaign in the media, and the garnering of widespread support for the idea of a Gaelic sports revival led to the calling of a meeting in Hayes's Hotel in Thurles in Tipperary on November 1, 1884, where the Gaelic Athletic Association was officially formed with Cusack appointed one of its three secretaries along with John McKay and John Wyse-Power. Croke Park's Cusack Stand is named in his honour.

### Transfers/Declarations/Playing Eligibility

#### 6.1 Transfers and Declarations

**Association's Ethos:** As the Gaelic Athletic Association is community centred, based on the allegiance of its members to their local Clubs and Counties, the Transfer and Declaration Rules in this Official Guide and in County Bye-Laws reflect that ethos. A player is considered to owe allegiance and loyalty to their First Club and County, as defined in these Rules.

#### 6.2 Definitions

**First County:** The County in which a player's First Club (or Club within an Independent Team) is located.

**Own County:** The County in which a player's Own Club (non-College) is based.

**First Club:** The Club (or Club within an Independent Team) with which a player first legally (i.e. in accordance with Rule and Bye-Law) participated in Club Competition at Under 12 Grade or Over (including Go-Games) organised by the County Committee or one of its Sub-Committees in the County of the player's permanent residence.

**Own Club:** The Club (non-College) of which an individual is currently a playing member.

**Catchment Area:** An area determined by the County Committee as representative of the hinterland of one or more Clubs. The Boundaries of Catchment Areas may be determined by reference to Parishes (subject to County Boundaries) or other criteria.

**Permanent Residence:** Unless otherwise defined in Bye Law, a place of Permanent Residence of a person shall be the domestic property where (by reference to actual overnight presence, the person's own or the person's family's ownership of or tenancy in the property, the person's place of non-temporary employment, and such other factors as may be considered appropriate) the Council or Committee assessing the question considers the person's principal private residence to have been for at least the previous month and is likely for at least the ensuing year.

Residence for the purpose of attending a Primary or Post Primary School or a Higher Education College shall not qualify as a Permanent Residence for the purposes of this Rule.

A County may deem certain states of affairs to constitute permanent residence for the purpose of its Bye-Law.

For the purpose of applications for Inter-County Transfers, the foregoing definition shall prevail.

**Other Relevant Connection:** A player shall be considered to have an 'Other Relevant Connection':

- (a) With a particular County if:
  - (i) Either of the player's parents at the time of the member's birth were permanently resident in that County.
  - (ii) That County is the County of the first Club of either of the player's parents.

- (b) With a Particular Club if:
  - (i) Either of the player's parents were at the time of the player's birth permanently resident in the present Catchment Area of that Club.

### 6.3 Attachment to First Club

- (a) For the purposes of this Rule, a person first becomes a member of the Association by joining a Club of the Association, as a Youth Member or a Full Member (as appropriate), within the County of the person's permanent residence.
- (b) Counties shall prescribe by means of Bye-Law the extent (if any) to which a person first becoming a member of the Association may have a choice as to what Club the person joins within the County
- (c) Bye-Laws may allow a person seeking to become a member of the Association an unfettered choice of Clubs or a limited choice of Clubs (e.g. where choice is limited by permanent residence in or other relevant connection to a Catchment Area and there is more than one Club in a particular Catchment Area), or no choice at all (e.g. where choice is limited by permanent residence in or relevant connection to a Catchment Area and there is just one Club within that Catchment Area).
- (d) Where a case arises in relation to an entitlement to becoming a member of, or be attached to, a Club (thereafter to be the First Club), the County Committee shall delegate consideration of such case to its Competitions Control Committee for resolution. If requested by any party involved in the case, the Competition Control Committee shall give all parties concerned the opportunity of making observations for consideration within a specified period and/or of attending at a convened hearing to outline their respective positions on the case.  
 The Competitions Control Committee shall make its decision in accordance with Rule and County Bye Law. An appeal against the decision of the Competitions Control Committee on the case may be made in writing by an aggrieved party to the County Hearings Committee. It shall be made within three working days of the receipt of notification of the decision. It shall state the grounds on which the appeal is being made and shall be signed by the appellant player or, in the case of a Club, by its Secretary. Other formalities regarding submission of Appeal (e.g. provision of duplicate copy, fee) outlined in Rule 7.6(f) to (i) are not applicable in this case. All other relevant sections of Rule 7.6 shall apply. An Appeal may only be upheld on the basis of the provisions outlined in Rule 7.6(o).
- (e) When a player first legally participates in Club Competition with a Club (including a Club within an Independent Team) at Under 12 Grade or Over (including Go-Games) organised by the County Committee or one of its Sub-Committees, that Club becomes the player's First Club.
- (f) Where the Club or all of the Clubs which an intending member is entitled to apply to join refuse to accept the intending member as a member, the County Committee may authorise that intending member to apply for membership of such other Club(s) as it deems appropriate having regard to the spirit of the Rules and Bye-Laws applicable.

## 6.4

### Transfers Within County

- (a) A County shall have a Bye-Law governing the transfer of players from one Club to another within the County. Such Bye-Law shall be consistent with Rule. Such Bye-Law may restrict the eligibility of a player to a transfer by reference to such matters as the County shall consider appropriate (e.g. by reference to permanent residence or Other Relevant Connections between the transfer applicant and the Catchment Area of the proposed new Club etc.).
- A County shall have the option, within County Bye-Law, to allow a player to play with a Club in the area in which the player works.
- However, a Bye-Law shall not prevent a transfer being granted where the relevant Competitions Control Committee is satisfied that it is necessary to do so to protect a child from harm and to comply with the child safeguarding commitments of the Association. Other formalities regarding submission of Appeal (e.g. provision of duplicate copy, fee) outlined in Rule 7.6(f) to (i), are not applicable in this case.

## 7.4 Suspensions

### Interpretation of Terms

- (a) For the purpose of interpretation of Suspensions and in Rule generally:
  - (1) “Level” shall mean the representative level at which the Suspension concerned was incurred e.g. Inter- Provincial, Inter-County, Club, Third-Level, Schools etc. Where a Team of one Level is playing a Game or Competition at another Level, e.g. Third-Level College v. County, a Level-specific Suspension incurred by a Player shall apply at the Level of the Team the player was playing with on the occasion of the Infraction.
  - (2) “Code” shall mean either Football or Hurling. Handball or Rounders shall likewise be specific Codes.
  - (3) “Player” shall mean a person whom the Council or Committee-in-Charge considers to have been a member of a Team panel involved in the Game in question.
  - (4) “Team Official” shall mean a person whom the Council or Committee-in-Charge considers to have been a Team Official involved in the Game in question.
  - (5) “Term of Suspension” is a time-based, in weeks, penalty.
  - (6) “Match Suspension” is a suspension,
    - (a) In the case of a player, from playing in a game in a specified competition, including extra-time when played, or
    - (b) In the case of a team official, from acting in any capacity at a game(s) in a specified competition, including extra-time when played. This involves the team official concerned being debarred from the Pitch Enclosure before and during the game and from managing, directing, assisting, or communicating with the team in anyway before or during the game.
  - (7) “Pitch Enclosure” is the area including the Field of Play reserved for players, match officials and team officials.

### Gravity

- (b) Where a minimum Suspension is prescribed in relation to an Infraction, the Council or Committee-in-Charge shall have due regard for the gravity of Infraction in each case. Where the Council or Committee-in-Charge in their absolute discretion, consider that it is appropriate, they shall impose either:

- (i) Additional Match Suspension(s) or a longer Term of Suspension
- (ii) A Term of Suspension for a 7.2 (b) Cat III or IV Infraction together with Match Suspension(s).

The Council or Committee-in-charge shall provide reasons for the imposition of a penalty in excess of the minimum.

In exceptionally serious cases the penalties of Debarment from playing or Expulsion may be imposed.

### **Next Game in Competition**

- (c) A walk-over shall not constitute the next game in a competition.  
A game or competition, the sole purpose of which is to determine qualification or relegation in respect of a following year's Championship or League, shall be deemed to be the 'same Competition' as that of the current year's Championship or League, as applicable.

### **Effect of a Suspension**

- (d) A Term of Suspension arising from Category I, III or IV Misconduct at Games Infraction by Players means a Suspension from playing in Games (including Tournaments and Challenge Games) as specified, and from acting as a Referee, a Score Umpire, Line Umpire or Sideline Official.  
A Match Suspension involves only, in the case of a player, being suspended from playing in or, in the case of a team official, being suspended, from acting as such at, a game in a specified competition.
- (e) A Suspension for all other Infractions provided for in Rule, Code or County Bye-Laws means Suspension from all functions, privileges and Competitions under the Association's control, but not from membership of the Association. In the case of a Team Official, this also includes managing, directing, assisting, or communicating with the team in any way during the period of the time-based suspension.
- (f) In the case of disciplinary proceedings involving a member who is in receipt of remuneration under a contract of employment with the Association or with any unit or agent of the Association, a penalty imposed under these Rules shall not prevent the member from fulfilling duties required to be performed under the terms of contract.
- (g) In any case where a Suspension has been imposed by a Council or Committee-in-Charge, but the existence of a prior Suspension for a Misconduct at Games Infraction within 48 weeks, 96 weeks or 192 weeks, as appropriate, which would affect the penalty applicable, has not in the first instance been brought to the attention of the Council or Committee-in-Charge, the Council or Committee-in-Charge shall impose such additional penalty as applies to the case.  
An additional Term of Suspension imposed shall commence at the date of expiry of the suspension already imposed or from the date of the last Game played, whichever is the later.  
An additional Match Suspension(s) imposed shall be applicable to the next games in the specified competition, even if the games occur(s) in the following year's competition. Where the Council or Committee-in-Charge is satisfied that the failure to disclose the prior Suspension was by reason of deliberate concealment, and that the suspended Player played in any games during the period when the player ought to have been suspended, the Council or Committee may impose such additional penalty, including Forfeiture of the games (without Award to the Opposing Team, except on a proven Objection) and/or further Suspension, as it deems appropriate.

## **Term of Suspension**

(h) A Term of Suspension shall commence:

- (1) In the case of a player sent from the field of play or a Team Official sent from the pitch enclosure, immediately upon the player or Team Official being sent off;
- (2) In the case of illegal participation in a game by a player, the player incurs immediate suspension upon so participating. Notwithstanding any other provisions in this Rule, any penalty subsequently imposed on a player arising from such proven illegal participation shall be applicable in all Codes and at all Levels and shall apply from the date of the player's last game played.

**Exception:** Breach of Code 4.2 does not carry a Penalty on the individual player.

- (3) In the case of a player or Team Official reported by the Referee as having committed a Category V, VI or VII Misconduct at Games by Players Infraction or a Category IVa or Va Misconduct at Games by Team Officials Infraction after the conclusion of the Game, immediately from the time of the Infraction, subject to the player or Team Official being notified in writing forthwith of the report having been made;
- (4) In any other case of Misconduct at Games by a player, from the date of the player's last Game played. Where a Category I (second Repeat Infraction), III or IV Misconduct at Games Infraction is concerned, this shall refer to the last Game in the Code and at the Level in which the Infraction was committed);
- (5) In the case of a non-player or any other case of Misconduct at Games by a Team Official, from the date of acceptance of the Proposed Penalty or the expiration of the two days specified in Rule 7.3(s), whichever is the earlier; or where they seek a Hearing, from the date of the decision of the Hearings Committee.

(i) A Term of Suspension shall be in consecutive weeks except:

- (1) Where a Suspension is extended pursuant to part (g) of this Rule after the expiration of the period first imposed;
- (2) Where a period of Suspension has already been served by the Defending Party for the particular infraction which is the subject of the Suspension being imposed, in which case credit shall be given for the period of Suspension already served.

(j) Where a Term of Suspension has been imposed, it shall terminate at the end (12 midnight) of the last day of the term calculated from the day of commencement inclusive.

For example, a Suspension terminates at 12 midnight on a Saturday when the Suspension period commenced on a Sunday.

(k) **Match Suspension**

- (1) Where a Match Suspension (or Alternative Penalty when a Match Suspension is non-applicable as outlined in Rule 7.2, is specified for a particular Misconduct at Games by Players Infraction/Misconduct at Games by Team Officials Infraction), it shall be operative immediately on respectively the player being sent off or the team official being sent from the Pitch Enclosure.
- (2) In the case of a player reported by the Referee as having committed a Category III or IV Misconduct at Games by Players Infraction after the conclusion of the game, the Match Suspension (or Alternative Penalty when a Match Suspension is non-applicable, as outlined in Rule 7.2) shall be operative immediately, subject to the player being notified in writing forthwith of the report having been made.

### **Penalty for Breach of Suspension**

- (l) The penalty for illegal participation while under a Term or Match Suspension shall be:

**For a Member/Player /Team Official:** 24 weeks Suspension

**For a Team** playing a suspended Player:

- (a) Arising from proven Objection-Award of Game to Opposing Team
- (b) Arising from an Inquiry by the Council or Committee-in-Charge: Forfeiture of Game without Award of game to the Opposing Team, or Fine, within the discretion of the Council or Committee-in-Charge and depending on the circumstances.

### **Juvenile Suspensions – Special Rules**

- (m) Juvenile players participating in Under 16 or younger Grade Competitions shall be subject to penalties for Infractions occurring at Games on the same basis as under the General Rules above, except that:
- (i) the minimum Time Suspension imposed for a Rule 7.2(b) Category V, VI or VII Infraction shall be one-half of that otherwise applicable; and
  - (ii) the penalty for a breach of Playing Membership Requirements (Code 8) or for playing while under Suspension (Rule 7.4(l)) shall be a minimum 4 weeks suspension.
- (n) Where a Club is suspended, the Suspension shall not apply to its Juvenile (Under 16 and younger) Section unless specifically included by the Council or Committee-in- Charge.
- (o) In the case of a Team Official officiating at Games in Under 17 or Younger Grade Competitions committing an infraction of Rule 7.2(c) Category IIa, IIIa, IVa or Va, the minimum time suspension imposed shall be double the minimum specified in the respective Category of this Rule.

### **Reduction of Suspensions and other Penalties**

  - (2) The Council or Committee may not reduce the Penalty below the minimum provided for in Rule or Bye-law;
  - (3) This Rule shall not authorise any Council or Committee to exonerate the penalised Unit or Member, or treat the Unit or Member as having committed any different Infraction; and
  - (4) If the original Suspension or other Penalty was varied on an Appeal, the Review Application must be made to the Appellate Committee concerned.

- (q) A Council or Committee which imposes a Suspension or other Penalty for a Category VI Infraction shall have the power, on one subsequent occasion, to reduce the penalty imposed on application of the Player affected, where the Player can satisfy the Council or Committee concerned that the player has completed an appropriate course of training or education.
- Central Council shall prescribe and provide such appropriate courses of training or education for the assistance of Members and Units (effective September 2025).

Any such reduction shall result in a penalty of not less than

- (ii) where the player is 18 years or under, a 12 Week Suspension in all Codes and at all Levels together with a Two Match Suspension in the same Code and at the same Level, applicable to the next games in the same Competition, even if one or more games occur(s) in the following year's competition.

Other than securing compliance with Code 5.2, no other alterations shall be made to the documents.

- (3) If the Secretary of the Competitions Control Committee considers that an Objection or Counter-Objection is out of order, other than as specified in (1) and/or (2) above, the Secretary shall, as a preliminary issue, circulate the document concerned to the Committee for a decision on this issue, without the necessity of convening an 'in person' meeting for this purpose.

Other than securing compliance with Code 5.2, no other alterations shall be made to the Appeal.

- (3) If the Secretary of the Appellate Hearings Committee considers that an Appeal is out of order, other than as specified in (1) and/or (2) above, the Secretary shall, as a preliminary issue, circulate the document concerned to the Committee for a decision on this issue, without the necessity of convening an 'in person' meeting for this purpose.

- (m) Where an Appellant who has submitted an appeal either refuses to take up dates offered for their Appeal or fails to attend at a hearing of the Appeal without reasonable explanation or where the Appellate Committee is of the opinion that the failure to take up dates or attend is for an ulterior purpose benefitting the appellant, the original penalty imposed shall stand.
- (n) The Director-General, Provincial or County Secretary or the Council or Committee-in-Charge shall where possible facilitate access to copies of Official Records (or extracts thereof) relevant to the Appeal, on written application of any party specifying the Official Record(s) required.

- (t) If a Game involving the Appellant is not played on the scheduled date/time, pending the Hearing by an appellate Hearings Committee, not arising from a decision on an Objection or Counter-Objection, and the Appeal fails, the Game shall be declared lost by the Appellant Unit.
- (u) In the event of a Knock-Out Competition proceeding, pending the Hearing of an Appeal, not arising from a decision on an Objection or Counter-Objection, by a Unit, and if the Appeal is successful, the following procedure shall apply:
  - (1) The results of Games played in the interim shall stand.
  - (2) The successful Appellant shall play the Opposing Team (unless the latter is disqualified by the Appeal decision) that was involved in the Game not played pending the Hearing of the Appeal. If a vacancy occurs between Congresses, it shall be filled by the Central Council, and the appointment shall be ratified at the following Congress. The Secretary shall have power to appoint Deputies and/or Assistants. The Secretary shall maintain a Panel of not fewer than 30 persons, made up of not fewer than 15 persons who have qualified as solicitors or barristers or arbitrators (Group 1), and not fewer than 15 persons without such qualification, who, by virtue of their experience and expertise in the affairs of the Association, are properly qualified to resolve disputes relating to the Rules and of the Association (Group 2). The Disputes Resolution Authority shall not be liable for anything done or omitted in the discharge or purported discharge of its functions unless the act or omission is shown to have been in bad faith.
- 1.3 The Rules of the Gaelic Athletic Association (including Codes, Bye-Laws, Regulations, and Interpretations of Rules by Central Council applicable to the decision, the subject matter of the dispute) ("the Rules") and the Laws of Ireland shall govern and be applied to any issue between disputing parties. The Tribunal (as defined in Section 5) shall make such enquiries, seek such opinions and evidence, and make such orders as it considers fit, subject to this Code and to Law.

Such Deputy shall have all the powers and functions of the Secretary when acting with Secretary's authority.

#### **2. Request for Dispute Resolution**

- (f) A statement that the contents of the Claim are true and accurate. A prescribed form is set out at the end of this Code, and the Secretary may publish updated prescribed forms for Claims under this Rule.

- 2.2 The Claim shall be notified to the Secretary of The Disputes Resolution Authority as soon as possible after all available appeals within the Rules have been completed, and in any event within 7 days of the last decision, and no Claim shall be entertained after that date, unless the Secretary is satisfied that there is good reason for extending the time.
- 2.3 The Claim shall be accompanied by a deposit in the amount of €1,000 towards the expenses of The Disputes Resolution Authority, which amount shall be reviewed by the Secretary on an annual basis and notified to Central Council in the audited accounts. At the end of any Dispute Resolution proceedings, the total expenses of The Disputes Resolution Authority in the proceedings shall be calculated and the Tribunal (as defined in Section 5) may direct that the expenses be paid by such party or parties as it deems appropriate, and for this purpose may require that any successful Claimant be reimbursed in respect of the deposit by any unsuccessful parties.
- 2.4 The Claimant must serve a copy of the Claim together with copies of any documents supplied to the Secretary on the other party or parties (“the Respondent”) as well as on the Director General of the Gaelic Athletic Association. The Claimant shall confirm in writing to the Secretary when submitting the claim that such documents have been duly served. The date of receipt by the Secretary of the claim shall be the date the dispute resolution proceedings commenced (“the Commencement Date”).

- 4.2 Mediation and negotiation shall be without prejudice to the dispute resolution proceedings and may take place and continue at any time during the dispute resolution proceedings.

## **5. The Tribunal**

- 5.3 The Secretary of The Disputes Resolution Authority shall provisionally select the Tribunal from The Disputes Resolution Authority’s Panel and shall notify the parties of the names of the Tribunal members as soon as practicable after they have been selected. The Tribunal shall be so constituted, unless the Secretary receives an objection from one or more parties to any person provisionally selected within three days of notification (or such shorter period as may be set in the event that the hearing is set for an earlier date), and is satisfied that such person has a genuine conflict of interest.
- 5.4 If all parties to the dispute agree that the Tribunal shall consist of only one person nominated by them from The Disputes Resolution Authority’s Panel, they must notify the Secretary accordingly, and the Secretary, provided that he/she is satisfied that the nominated person is independent of the parties to the dispute, shall appoint that one person, and that one person shall constitute a valid Tribunal.
- 5.5 If any member of the Tribunal refuses, or in the opinion of the Secretary becomes unable or unfit to act, the Secretary of The Disputes Resolution Authority shall appoint another person to the Tribunal in that member’s place.
- 5.6 The Tribunal members shall select one of their number to act as Chairperson, and in default of agreement, the Secretary shall select the Chairperson.
- 5.7 The Tribunal may decide on its own jurisdiction, including any objections with respect to the existence or validity of the particular referral to arbitration in accordance with the Official Guide. For that purpose, this Code shall be treated as an agreement independent of the other terms of the Rules of the Association.

## **6. Communications**

- 6.1 The parties shall not communicate with the Tribunal except through the Secretary of The Disputes Resolution Authority, unless so directed by the Secretary.
- 6.2 The Secretary may communicate with any party directly to confirm receipt of Documents, and may send copies of any Documents to them.
- 6.3 Correspondence from one party to the Secretary of the Disputes Resolution Authority shall be accompanied by three extra copies, and a further copy of such correspondence must be sent by that party to every other party to the dispute.
- 6.4 All communications shall be either hand delivered or sent by post, email or facsimile transmission to the parties at the addresses set out for each in the Claim, or at such address as any party may have previously notified The Disputes Resolution Authority, the Tribunal and the other parties. Any such communication shall be deemed to be served:

  - (b) if posted, at the expiration of 48 hours after the envelope containing the same shall have been put in the post, and

delivery was made or that the envelope containing the communication was properly addressed and posted as a prepaid letter, or that the email or facsimile transmission was properly addressed, dispatched and acknowledged as the case may be.

- 6.5 In cases of special urgency, the Secretary, the Tribunal and (provided that permission from the Secretary has been obtained) the parties may use telephone or such other methods as are necessary in order to give notice.
- 6.6 The Tribunal may deem communications to be adequate notwithstanding a failure of compliance with this Section 6, if the same were sufficiently effective.

## **7. Conduct of the Proceedings**

- 7.1 The Tribunal shall conduct the dispute resolution proceedings in such manner as it considers fit and may follow any arbitral procedure agreed by the parties if it is in the Tribunal's opinion reasonably practicable so to do.
- 7.2 The Tribunal or its Chairperson may hold a preliminary meeting with the parties at which the parties may be given directions as to time limits and procedures, including time-tables in respect of steps to be taken.
- 7.3 If directed to do so by the Tribunal, the parties shall make written submissions to the Tribunal giving further details of their Claim and Reply.
- 7.4 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may, on the application of either party, direct that a hearing be held on a specific date and that any time limits set out in this Code be varied, as so directed.
- 7.5 Each party must submit to the Secretary within such time as the Tribunal shall direct, copies of every document on which that party will rely, unless that document has previously been submitted to the Secretary. Copies shall also be sent by that party to all other parties to the proceedings.
- 7.6 The Tribunal may proceed with the dispute resolution procedures and make its decision even if the Respondent has failed to serve a Reply.  
A Respondent who does not complete and serve a Reply in accordance with Section 3 may not, without the leave of the Tribunal, contest any Claim.
- 7.7 If any party deliberately or recklessly misleads the Secretary or the Tribunal as to any facts relevant to the dispute or referral, the Tribunal may dismiss their Claim or strike out their Reply and make punitive awards as to costs.

## **8. Interim Rulings**

- 8.1 A Claimant may apply to the Tribunal for interim temporary remedies where necessary in order to preserve the status quo ante pending the Hearing. If any claim for any interim remedy is being made, then subject to Section 7.4, it must be set out on the Claim.
- 8.2 Subject to Section 8.3, such applications shall be heard on a day and at a place and time suitable to the Tribunal, with at least 3 days' notice to the Respondent(s). The Tribunal shall have the same powers as a Court of Law in legal proceedings alleging a breach of contract.
- 8.3 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may (i) shorten the time required for notice or (ii) dispense with notice, and grant such temporary interim remedy as is appropriate, if the Claimant shows that it has been impossible or impracticable to meet the notice requirements.
- 8.4 No interim remedy shall be granted in the event that the Tribunal or the Secretary of the Disputes Resolution Authority, as the case may be, finds that the Claimant has unreasonably delayed in bringing the application for temporary interim remedy.

- 8.5 If an interim order is made and at the Hearing it is subsequently found that such interim order was inappropriate, the Tribunal may affix the Claimant with liability for any loss or damage thereby incurred by the Respondent(s), unless one or more exceptional countervailing factors are found to exist by the Tribunal.
- 8.6 All parties shall comply with the interim orders of the Tribunal, in default of which the Claim or the Reply (as the case maybe) may be struck out without consideration of the substantive Claim.

## **9. Hearings**

- 9.1 The Tribunal shall fix the date, time and place of any hearings in the dispute resolution proceedings and shall give the parties as much notice as practicable of same. All such hearings shall be in private.
- 9.2 For the avoidance of doubt, the Tribunal may direct that the parties should make written submissions and that no evidence will be given orally.
- 9.3 Where the proceedings involve a matter of exceptional importance to the Association, the Tribunal in its absolute discretion may invite submissions from Central Council or any other appropriate party regarding the consequences for members and units of the Association other than those party to the dispute of any decision it might make. In any case it shall be open to Central Council to make an oral and/or written submission to the Tribunal.

## **10. Witnesses**

- 10.2 The Tribunal may question a witness at any stage and shall supervise the questioning of a witness by the parties.

- 11.2 The Tribunal shall decide on any issue by majority. The final decision shall be in writing and shall be accompanied by the reasons on which it is based. The decision shall bear the date on which it was agreed by the Tribunal, and shall be signed by each member of the Tribunal, though it shall not be necessary for each Tribunal member to sign the decision on the same date. Save in exceptional circumstances, to be set out in writing by the Tribunal, the Party deemed by the Tribunal to have been successful in the disputes resolution proceedings shall, on application, be entitled to its reasonable costs. If requested by either party, the Tribunal shall measure costs.
- 11.3 The Tribunal may direct any party to the dispute resolution proceedings to take, or abstain from taking, any steps, within the Rules of the Association and with due regard to the rights of third parties, including, but not limited to, the re-hearing of any disciplinary or other decision-making process, with or without directions as to the proper procedures to be applied.
- 11.4 In the event of a decision or procedure being quashed, and with agreement of both parties, the Tribunal may conduct a full hearing as if it were an appellate

body of last resort under the Rules of the Association, with power to fully conduct the procedure which has been quashed. No decision made by the Tribunal in this context shall be susceptible to appeal or review by any body.

- 11.5 In the event that the parties in dispute agree a resolution of the dispute at any stage in the referral prior to the delivery of the decision, the Tribunal, if satisfied that such proposed resolution is within the Rules of the Association and does not occasion any breach of contract or other act whereby any third party is prejudiced, may ratify the resolution, in which case it shall have the same force as if it were a decision of the Tribunal.
- 11.6 The Chairperson of the Tribunal shall arrange for the decision to be delivered to the Secretary of the Disputes Resolution Authority, and the Secretary shall notify the parties and the Director General of the Gaelic Athletic Association accordingly.

## **12. General Rules**

- 12.2 Save in respect of decisions made prior to the constitution of a Tribunal and the election of its Chairperson, any decision of the Secretary of the Disputes Resolution Authority may be appealed to the Tribunal.
